SUMMARY GRID - PLAN FOR  
ADDRESSING THE PROBLEM OF DRUG-  
RELATED CRIME AND THE PROBLEMS  
ASSOCIATED WITH DRUG-RELATED  
CRIME

## SUMMARY OF PROBLEM DESCRIPTIONS, GOALS AND MEASUREMENTS

**Problem Description #1: Area increases in drug abuse and related criminal activities are evidenced at St. Paul public housing sites.**

### PHDEP Funded Activity to Address Problem #1:

Through the St. Paul Police Department (SPPD), continue "A Community Outreach Policing Program" (ACOP) that operates in the four family developments and in the 16 hi-rises.

Five Year Program Goals	Annual Activity Goals	Measures and Outcomes	Baseline	Non-PHDEP Funded Support Activities
To maintain an overall lower crime rate "in and around" public housing developments than the crime rate level in the City of Saint Paul.	Up to nine FTE licensed police officers and three community liaison officers are assigned to ACOP from the St. Paul Police Department to provide community policing services in public housing, including crime prevention, crime intervention, and community involvement activities for family and youth.	Annual crime data for the City, compared to crime data for the grids in which public housing is located, showing lower crime rates in the public housing areas of the grids.	St. Paul Police Department annual crime rate data.	<p>SPPD:</p> <ul style="list-style-type: none"> <li>provide up to .50 FTE services from the department's Gang Task Force.</li> </ul> <p>St. Paul PHA Coordinated:</p> <ul style="list-style-type: none"> <li>Space provided for ACOP central office at McDonough Home; offices provided at the other family sites for liaison teams.</li> <li>Active enforcement of all leases.</li> <li>Referrals to prevent evictions.</li> </ul>

7-28

Five Year Program Goals	Annual Activity Goals	Measures and Outcomes	Baseline	Non-PHDEP Funded Support Activities
	ACOP assigns officers to work in liaison teams within each family development and group of hi-rises, meeting at least monthly with housing managers to discuss incidents, trends and actions to take; written crime data presented no less than monthly on types of criminal activities.	Annual satisfaction survey of residents and staff showing satisfaction at levels no less than 1998 survey results with services and liaison team responsiveness.	1998 survey results, showing: <ul style="list-style-type: none"> <li>• 76% hi-rise "excellent" or "good" satisfaction with safety.</li> <li>• 83% family "very satisfied" or "satisfied" with safety.</li> </ul>	<ul style="list-style-type: none"> <li>• Staff responsiveness to monthly ACOP data (including implementing physical security measures as needed.)</li> </ul>
	Increase residents crime prevention involvement through awareness of ACOP in the family developments, from 71% currently to 80% by Yr. 5: <ul style="list-style-type: none"> <li>• ACOP officers attend regularly scheduled council meetings (usually monthly, with summer breaks).</li> <li>• ACOP officers conduct at least one special meeting each year at each family development, as requested.</li> </ul>	Annual survey, showing: Year 1: 73% awareness Year 2: 75% awareness Year 3: 77% awareness Year 4: 79% awareness Year 5: 80% awareness	1998 Survey of 400 families, showing 71% awareness.	<ul style="list-style-type: none"> <li>• Space provided in hi-rises and at family community centers for "storefronts."</li> <li>• Support provided to resident councils to respond to criminal activity.</li> <li>• Apartments offered to officers at zero rent through "police in residence" program.</li> </ul>

Five Year Program Goals	Annual Activity Goals	Measures and Outcomes	Baseline	Non-PHDEP Funded Support Activities
	Increase resident involvement in crime prevention through awareness of ACOP in the hi-rises, from 52% currently to 60% by Yr. 5: <ul style="list-style-type: none"> <li>• ACOP officers attend regularly scheduled council meetings.</li> <li>• ACOP officers conduct up to a total of six special meetings as requested.</li> </ul>	Annual survey, showing: Year 1: 54% awareness Year 2: 56% awareness Year 3: 58% awareness Year 4: 59% awareness Year 5: 60% awareness	1998 Survey of 900 hi-rise residents, showing 52% awareness.	<ul style="list-style-type: none"> <li>• Space provided in hi-rises and at family community centers for "storefronts."</li> <li>• Support provided to resident councils to respond to criminal activity.</li> <li>• Apartments offered to officers at no cost, through "police in residence" program.</li> </ul>
